

SEEN AROUND THE PARISH: On Friday St. Francis & St. Luke schools celebrated their Easter Mass at the Church (the Church was full) ... it was great to see

STEWARDSHIP: Celebrating & Sharing God's Gifts. Paul and Barnabas encountered both violent rejection and joyful acceptance of the message that they preached. We, too, may meet with mixed reactions when we use our gifts in the service of God. But, the Gospel assures us, the reward for those who follow faithfully is eternal life.

Prayer of Thanks - Father, I thank You that You still speak to Your people. I pray that You will show me someone who needs encouragement today. Thank You for speaking to me and allowing me to be a blessing in someone's life.

FOURTH SUNDAY OF EASTER

April 16/17, 2016

Among all the voices that surround & beckon us, how do we discern the unique cadence of God's voice? Which is the voice of the Good Shepherd? Some principles that come to us from Jesus, from scripture and from the deep wells of our Christian tradition that can help us are: The voice of God is recognized wherever one sees life, joy, health, color & humor, even as it is recognized wherever one sees dying, suffering, conscriptive poverty, The voice of God is the one that most challenges & stretches us, even as it is the only voice that ultimately soothes & comforts us.

Answer to some questions asked of retirees.....When is a retiree's bedtime? Three hours after falling asleep on the couch. Why are retirees so slow to clean out the basement, attic or garage? They know that as soon as they do, one of their adult kids will want to store stuff there. What's the biggest advantage of going back to school as a retiree? If you cut classes, no one calls your parents.
