

SEEN AROUND THE PARISH: Marge & Fr. John have completed Baptism sessions at St. Francis School & Sacred Heart School this week. Our ordinary time decor has been put in place by Merv & Heather such timely diligence.

STEWARDSHIP: Celebrating & Sharing God's Gifts. Both the first reading and the Gospel remind us powerfully that every breath we take is a gift from God. How conscious am I of this first and most precious gift? Am I a good steward of the life and time with which I have been blessed

Prayer of Thanks - Father, help me to realize just how blessed I am. Thank You for my health, my home, my family, the advantages I have been given, and the very air I breathe. I choose to focus on what I have rather than what I don't have. Thank You for my wonderful life.

10th SUNDAY OF ORDINARY TIME

June 4/5, 2016

In the 1st reading & the Gospel, the death of two sons of two widows were brought back to life. But death will come sooner or later. The miracles of our scriptures are not the occult promises of some eternal life on this planet. They are, rather signs of our destinies beyond it. They are promises that the God who made this earth is not subject to the limits of it. We are not made for nothingness after death. Our God calls us to share in eternal life, "by revelation from Jesus." The Resurrection!

Reading is one of the greatest gifts we can pass on to our young students. Books may be left at the parish before June 13.

Assisted Suicide & Euthanasia THINK ABOUT IT - A dying person who is in distress needs support and good medical, psychological, social or spiritual care. The person who fears becoming a burden on others needs to be assured that caring for him or her is not a burden. The person who is lonely needs to know that someone cares and that he or she will not be abandoned. Killing is not an act of compassion. Out of the mouths of childrenA young school child wrote some of his takes on the Bible. "During his life, Jesus had many arguments with sinners like the Pharisees and the Republicans. Jesus also had twelve opossums. The worst one was Judas Asparagus. Judas was so evil that they named a terrible vegetable after him. Jesus was a great man. He healed many leopards and even preached to some Germans on the Mount. But the Democrats and all those guys put Jesus on trial before Pontius the Pilot. Pilot didn't stick up for Jesus. He just washed his hands instead.
