

SEEN AROUND THE PARISH: Our Buildings & Grounds people Jan & Clarence have been busy getting flowers into the flower beds, once again the plants were donated from the Plant Ranch. If you happen to drop in at the Plant Ranch please express our appreciation to them. On Friday we had the funeral service for George Beaudin, our sympathy is extended to his wife Denise, family and friends.

STEWARDSHIP: Celebrating & Sharing God's Gifts. Like Nathan in today's first reading, we sin when we begin to feel entitled and act as if what we have is ours by right, when we forget that everything we have is an unmerited gift from God. But God is gracious and forgiving - even when we use His gifts wrongly or squander them thoughtlessly - if, like Nathan, we confess our guilt and ask His pardon.

Prayer of Thanks - Father, help me to realize just how blessed I am. Thank You for my health, my home, my family, the advantages I have been given, and the very air I breathe. I choose to focus on what I have rather than what I don't have. Thank You for my wonderful life.

Did you know EVERYONE is welcome to borrow books & DVD's free-of-charge from the Archdiocesan Resource Centre. Drop by 445 Broad St. N. to take a look or browse online by clicking on 'Resource Center' at www.archregina.sk.ca

11th SUNDAY OF ORDINARY TIME

June 11/12, 2016

We need a theology which teaches us that even though God cannot unscramble an egg, God's grace lets us live happily and with renewed innocence far beyond any egg we might have scrambled. We need a theology which tells us that a second, third, fourth, & fifth chance are just as valid as the first one. We need a theology that tells us that mistakes are not forever, that they are not even for a lifetime, that time & grace wash clean, that nothing is irrevocable We need a theology which teaches us that God loves us as sinners and the task of Christianity is to teach us how to live again, and again, and again.

Life's unanswered Questions:What hair color do they put on driver's licenses of bald men? If a word in the dictionary were misspelled, how would we know? What is a near-miss? If you nearly miss something, don't you hit it? If we find life on other planets, what would happen to the Miss Universe pageant? If lawyers are disbarred and clergymen defrocked, doesn't it follow that electricians can be delighted, musicians denoted, cowboys deranged, models deposed, tree surgeons debarked and dry cleaners depressed?
