Each year during Lent, Canadian Catholics are invited to stand in solidarity with communities in Africa, Asia, Latin America and the Middle East who are struggling for dignity and justice.

This Lent, inspired by the Jubilee Year of Mercy and Pope Francis' encyclical *Laudato Si'* (Care for Our Common Home), Development and Peace invites you to join in a Climate of Change solidarity pilgrimage with our sisters and brothers in the Global South.

By opening our hearts and walking hand in hand with the most poor and vulnerable, we can contribute to building a world rooted in justice, equality, compassion and love. Your generosity is a source of hope!

Development and Peace is working to create a climate of change and build a more just world. Read more at www.devp.org
