

*Sharing God's gifts,
Serving others,
In Christ's Love*

March 26, 2016

I invite you to attend two very important events coming in April. The first, THE NEW EVANGELIZATION SUMMIT, April 15 and 16, is a conference in Ottawa being streamed live to host cities throughout North America. It features 7 inspiring Catholic speakers including Christopher West and Fr. Raniero Cantalamessa, spiritual director of Pope Francis. This Friday evening and Saturday event will focus on living and encouraging faith in the modern world given from a number of different perspectives. More details are below.

The second event, THE COR SEMINAR takes place April 29 and 30 and features Christopher West, Best Selling Author, Speaker, Teacher and World Renowned Expert in John Paul II's Theology of the Body. See poster on the back.

As Catholics, we often rely solely on Sunday Mass for our faith enrichment and rarely do we make the time to allow ourselves other opportunities to grow and strengthen our faith. The challenges of our secular society and from younger generations require intelligent faith responses. We owe it to the world, to ourselves and to God to be well informed and spiritually formed in order to effectively communicate the Good News. I strongly encourage you to participate in one or both of these events.

When placed in the context of where we spend a lot of our time, money and energies for other things, can we not invest a rather small portion of that in something that could be life-changing?

I hope to see you there so that together we can become more effective messengers in proclaiming the Joy of the Gospel.
