

STEWARDSHIP: Celebrating & Sharing God's Gifts. For many people, God and money run "neck and neck" as their first priority. Making money and spending money becomes the center of their life and they actually become a slave to money. The solution - become more generous. Giving money to Church and charity frees us from slavery to money and from making money a "god" before God.

The total reliance is echoed in St. Paul's placement of his destiny in the judgment of God alone. The prophet and the apostle have only one security. They have given themselves to only one master, God. Undivided hearts, they inhabit a world of faith where one lives without fear.
