**Jest Kidding** .....A nine year old girl was in church with her mother when she started feeling ill. "Mommy" she said "Can we leave now?" "No" her mother replied. "Well, I think I have to throw up!" "Then go out the back of the church and throw up behind a bush." a couple minutes later the girl returned. "Did you throw up?" mom asked. "Yes" the girl replied. "Well, how could you return so quickly?" "I didn't have to go out" the girl replied. "They have a box next to the door that says 'for the sick'."
