

**STEWARDSHIP: Celebrating & Sharing God's Gifts.** Jesus reminds us that material things, even something as basic as water, can never satisfy us for long. When we build our lives around material possessions we always want more. True Joy and Peace only comes when we follow Jesus; when we become more "God-centered" and less "self-centered".

**3<sup>rd</sup> Sunday of Lent**

**Mar. 18/19, 2017**

Jesus is the stream of love between God and ourselves. We are invited to drink of the mystery, this outpouring of love, embodied in Jesus, the thirst of God in us. His "I thirst" from the cross is as much the voice of God as it is the stirring of a human heart. It is not Christ's humanity alone that feels the parching. It is his divinity too.
