

S01WARDSHIP: Celebrating & Sharing God's Gifts. Many of us say that we believe in God. We go to church on Sunday. We volunteer for events at our parish. But when life gets hard, the pressure is on, things aren't going our way, do we really believe, do we really put our trust in te Lord? When we live a life of gratitude, being thankful for the gifts we have been given, we really do see that God is providing all that we need.

In our profession of faith, we are asked to believe, to trust a promise made to us, that even though we die, we will come back to life in a love who is our resurrection. If we live and die in that belief, nothing of our good and grace will be lost or forgotten in tombs.
