

St. Cecilia Photo Directory

It is time for a new parish photo directory. The last directory was 2010. Instead of using the services of a directory company, members of our parish community will put into action our mission statement by sharing God's gifts and serving others as coordinators, photographers and producers of the publication.

The directory will be printed professionally and the cost is expected to be about \$10.

You will be given a digital copy of your photo free of charge. You may print your own copies or obtain enlargements at a reasonable fee through an offer we arranged with one of the photographers.

Beginning on the weekend of May 6 and 7, stop by our table in the Welcoming Area to sign up for booking a time for your photo in May and June. Members of our team will be there to assist you.

May - Month of Mary

May is dedicated to Our Blessed Lady and a time to honour the Queen of Heaven. During this month, Christians, both in church and in the privacy of the home, offer up to Mary a fervent and loving homage of prayer.

As the Mother of the Church, Mary is example, guide and inspiration, of everyone who seeks to be the servant of God and people, and obedient to the promptings of the Holy Spirit.

The Blessed Virgin is the model of Christian discipleship and the practice of Christian stewardship.

The Rosary is one of the most excellent prayers to the Mother of God.

10 minutes before the start of weekend masses April 29 to May 28, we will pray one decade of the rosary. We will reflect on the Glorious Mysteries of the Most Holy Rosary: The Resurrection; The Ascension; The Descent of the Holy Spirit; The Assumption; The Coronation.

You are encouraged to be a good steward in the use of your time by continuing to pray the rosary during the week, if possible as a family. Stewardship means many things, but one of the main ones is to make the worthwhile investment of finding time to be with God.
