

St. Cecilia Photo Directory

We are off to a great start with photos being taken for the photo directory. Instead of using the services of a directory company, members of our parish community are putting into action our mission statement by sharing God's gifts and serving others as coordinators, photographers and producers of the publication.

The directory will be printed professionally and the cost is expected to be about \$10.

You will be given a digital copy of your photo free of charge. You may print your own copies or obtain enlargements at a reasonable fee through an offer we arranged with one of the photographers.

These are the upcoming photo session dates and times:

- Saturday, June 3 - 10 am to Noon and 1 pm to 4.
- Monday, June 5 - 1 pm to 8.
- Saturday, June 10 - 10 am to Noon and 1 pm to 4.
- Monday, June 12 - 1 pm to 8.

To sign up for your photo time, stop by the table in the Welcoming Area or call Melita in the office 306-545-4051.

More dates and times will be scheduled as needed.
