

St. Cecilia Photo Directory Final Photo Sessions

The opportunity to be part of the directory is ending soon, as the last group of photo session dates has been scheduled.

Over 150 photos were taken before the summer break. Thank you to the people that participated.

Members of our parish community are sharing God's gifts and serving others as coordinators, photographers and producers of the publication.

The directory will be printed professionally and the cost is expected to be about \$10.

You will be given a digital copy of your photo free of charge.
