

STEWARDSHIP: Celebrating & Sharing God's Gifts. *"For God so loved the world that he gave his only Son..." - John 3:16*

Of all the wonderful gifts that God has given to us, the gift of His own Son is truly the greatest. How can we ever thank God for a gift like that? God does not ask us to sacrifice our own precious firstborn, but He does ask that we are grateful and generous with our God-given gifts. That we nurture and develop them and return with increase

"You shall not carve idols for yourselves in the shape of anything..." - Exodus 20:4
How many "gods" do you put before God? "Idols" do not always take the shape of physical things, things we can touch and feel. Those are easy to recognize. Many times they take the form of things we cannot touch and are much harder to spot like pride, power, ego, time, comfort or health.

TF76: Prayer, Fasting and Almsgiving Lenten Retreat - Part 3

Our Lenten Prayer, Fasting and Almsgiving retreat continues! This week we'll examine almsgiving as an antidote to our propensity to grasp at and possess those things of this world which are intended to be gifts freely given and freely received. As with last week, near the end, we'll take some time to fashion a concrete plan for incorporating this spiritual antidote into our daily lives.

"Here I am!" he answered. - Genesis 22:11

It is easy to say, "Here I am, Lord," when we are kneeling in church. But how easy is it to say "Here I am, Lord," when a neighbor needs our help, when we are invited to join a parish ministry, or when we are asked to provide financial support? Often times we are called when it's not convenient for us. Discipleship is not always easy, most of the time it will make us uncomfortable and vulnerable.

TF75: Prayer, Fasting and Almsgiving Lenten Retreat - Part 2

Last week we realized that, just as our bodies immune systems are locked into a daily physical battle to keep us well, so too are our Spiritual Lives caught up in a daily struggle to keep us well. This week we look at how fasting provides an essential balance to our propensity to 'overconsume' the things of this world. As today's segment comes to a close we'll even take some time to put together a concrete fasting plan that can carry us through Lent.

to "Love the Lord your God"!

38th Annual Nash Memorial Lecture - "Attached and Indifferent: Technological living on a lonely planet". Dr. Gregory Kennedy, SJ. Poet and author of *An Ontology of Trash: the disposable and its problematic nature* Wed., Feb. 28, 7:30 pm Campion College Riffel Auditorium. Admission is free and open to everyone.

Greg Kennedy, SJ is a Jesuit priest both amused and bemused by our complex relationships with our tools and systems. He looks for points of light and humour in the often grave and absurd workaday stuff of modern life. As spiritual director at Ignatius Jesuit Centre in Guelph, Greg explores the confluence of spirituality, ecology and creativity. Trees, music and good conversation enliven him most, especially when they all go together. <http://campioncollege.ca/academics/nash-memorial-lecture-series>

It's spring season again. One way to celebrate Spring Season is to Journey with our Lord Jesus Christ, through Christian Life Program.

Singles For Christ, a ministry of Couples for Christ invites single men and women aged 21 to 40 years old. The CLP or Christian Life Program is an integrated course intended to lead the program participants into a renewed understanding of God's call to them as Christians. It runs for a total of 13 separate sessions, usually held once a week. Most sessions consist of three basic ingredients: a teaching, a group discussion, and a time for fellowship. Each session would normally last for about 2 1/2 hours.

If you are interested on joining a CLP and later SFC, you may ask any SFC member that you know or you may check from list of CLP schedules below and get in touch with the contact person that is listed.

There are no fees or any monetary expenses required from participants. The only investment required is time and openness.

The program starts on February 25 to April 15, 2018, 8 consecutive Sundays, 3:30 PM at the Holy Rosary Cathedral Auditorium.

Stewardship Bulletin Bits

February 18, 2018 - 1st Sunday of Lent

"After John had been arrested, Jesus came to Galilee proclaiming the gospel of God..." - Mark 1:14

Do you ever think about how difficult it must have been for Jesus to come into Galilee, knowing that John had just been arrested for teaching the same message that Jesus was proclaiming. It must have taken great love and trust for Jesus to do what the Father had sent Him here on earth to do. In the same way, following a life of stewardship takes great love and trust from us. We must be willing to surrender completely to God, trusting that God will always give us all that we need to fulfill His plan for us.

CHRISM MASS

Monday, March 19th, 2018

The Archdiocese of Regina is asking Saskatchewan Artists for help raising funds for the education of priests

The full cost of a seminary education is frequently beyond the reach of men who are discerning a call to the priesthood. Your support will ensure that our seminarians receive adequate tuition assistance, so that money is never an obstacle between a man and this sacred vocation. To start the fundraising we are hosting an On-line Art Auction March 1. We are asking Canadian artists for donations of original art that will be promoted and auctioned on-line beginning March 1.

There is something more personal about being able to give artwork rather than a monetary donation - you will be giving something of yourself - something you have created that will benefit us all. Tax receipts for the value of the artwork will be available. CONTACT: lburkhart@archregina.sk.ca
