

STEWARDSHIP: Celebrating & Sharing God's Gifts. "So out of the ground the Lord God formed every beast of the field and every bird of the air, and brought them to the man to see what he would call them; and whatever the man called every living creature, that was its name." Genesis 2:19

The creation story reminds us of two important points. First, since the start, God has put the entire world into our care. Second, stewardship has been around since the beginning of mankind, it isn't something recently invented by the Church. Just as past generations built our Church, it is now our responsibility to continue to nurture and develop these gifts for future generations.

TWENTY-SEVENTH SUNDAY OF ORDINARY TIME

Oct. 6/7, 2018

We Catholics have our liturgies, our Eucharists. Some of us attending are divorced & remarried & place it all before God, not knowing really whether we have put asunder what God had once joined in us. Few judge. For no matter what our rightful relationship to our church, its laws and traditions, we all pray in an assembly of believers who are sinners; and, most assuredly, we all stand before our good and great God as children.

Just Kidding.....A priest, known for his lengthy homilies, noticed a man get up and leave during the middle of his message. The man came back just before the end of Mass. Afterward the priest asked the man where he had gone. "I went to get a haircut," was the reply. "But," said the priest, "Why didn't you do that before the service?" "Because," the man said, "I didn't need one then."
