THIRTY-THIRD SUNDAY OF ORDINARY TIME

Noc. 17/18, 2018

We envisage Marks's portrayal of the end times to be about the end of the world. Conceivably, the text is not so much a warning about the end of the world as it is a commentary on living in it. This day, this moment, this life, is the time to bear the fruit. Since we do not know the hour or the day, let this be the hour, let this be the day, let this be the time that we live & die.
