

St. Cecilia Summer Photo Challenge

The summer photo challenge is back and you get the opportunity to share some of your best photos of the season with us.

Through your photos you are serving God with your creativity and honouring His creation.

Follow the weekly themes, and take lots of photos.

Here's how you can participate:

- Save the schedule of weekly themes.
- Take a photo (or hey, many photos!) following our theme of the week.
- **Text it to Ray at 306-536-8920 or email summerphoto@stcecregina.com before the date of the theme.**
- If you have the chance to take a photo of a theme before its scheduled week, save it and send it on the week of the theme.

The photos with your name will be shown before the weekend Masses.
