

STEWARDSHIP :*"My child, remember that you received what was good during your lifetime while Lazarus likewise received what was bad; but now he is comforted here, whereas you are tormented. Moreover, between us and you a great chasm is established..." (Luke 16:25-26)*

When God created the world He declared that it was good and He gave it to all mankind for us to enjoy. However, over the years we have created a chasm between those who have great gifts and those who do not. In today's Gospel we see that with our own generosity we must bridge that gap between those who have much and those who have little or we may find ourselves on the wrong side of the chasm in the next life.

Second Installment in a series by Dr. Brett Salkeld on Catholic Voting How (Not) To Vote Like a Catholic -If I manage to achieve my goal with this piece, I will have left many of my readers unsettled. I will be critiquing two prominent approaches to voting as a Catholic that are oversimplified and misleading. They do, however, have the advantage of being clear and simple. People like clear and simple things. Especially when faced with difficult choices and imperfect options. My goal is to make us uncomfortable with these too simple approaches. And people don't like being made uncomfortable....

27th SUNDAY OF ORDINARY TIME **Oct. 5/6, 2019**
 The peace that the world can give to us is not a negative. It is real and it is good, but it is fragile & inadequate. What Jesus offers us is a peace that is not fragile, is already beyond fear & anxiety, that does not depend upon feeling healthy, secure & loved in the world.
