

St. Cecilia Summer Photo Challenge Continues

The photos contributed during July were wonderful for creativity and interpretation of the weekly themes. If you haven't participated, you still have August to share some of your best photos of the season. Follow the weekly themes and take lots of photos.

Through your photos you are
serving God with your creativity and
honouring His creation.

Here's how you can participate:

- Save the schedule of weekly themes.
- Take a photo (or hey, many photos!) following the weekly theme.
- **Text to Ray at 306-536-8920 or email summerphoto@stcecregina.com by the date of the theme.**
- If you have the chance to take a photo of a theme before its scheduled week, save it and send it the week of the theme.

The photos with your name will be shown before the weekend Masses.
