"You shall not carve idols for yourselves in the shape of anything..." - Exodus 20:4

How many "gods" do you put before God? "Idols" do not always take the shape of physical things, things we can touch and feel. Those are easy to recognize. Many times they take the form of things we cannot touch and are much harder to spot like pride, power, ego, time, comfort, or health. Pray for God's help to prune our vices and to grow in virtue.

Social Justice Birthright Shower

The Social Justice Team is very grateful for your generous support through prayer and contributions to Birthright Regina. Once again, the kind and generous hearts of St. Cecilia parishioners help those in need within our community.

The following letter was received from Romina Argerami, Executive Director of Birthright Regina.

Thank you so much for your generous donations and your constant support.

So far, we have received a total of \$650 (\$445 in cheques and \$205 in cash).

Some of the cash was used to buy a used bassinet online for a mom that was rushed to the hospital to have her baby. We also gave her some of the blankets and knitting that were donated by members of your parish.

Both mom and baby are doing well and very thankful for the support and items. Please keep praying for our work, and for this mom as she still faces many difficulties.

We issued all the corresponding receipts.

Thank you so much and God bless you all.

Note the amount in the letter was collected at St. Cecilia and does not include donations that may have been made by parishioners directly to Birthright (online or mailed).

Bishop Don's Lenten Message | Week 3

We are now two weeks into Lent, and the church extends a word to us, to persevere in opening ourselves to the Holy Spirit on this Lenten journey. This coming Sunday, the third Sunday of Lent, we will hear St. John's account of the cleansing of the Temple. And at the end of the Gospel reading, there's a sentence that jumped out at me this year - in part because I was working with a different translation of the Bible.... [View the video.](#)

CWL News - MAiD (Medical Assistance in Dying) – Bill C-7

Update - The federal government was granted a final extension until March 26 to expand access to medical assistance in dying (MAiD) even as its efforts to do so stalled in the House of Commons. [Read the Catholic Register story.](#)

Catholics believe in respect for life from conception to natural death. Archbishop Richard Gagnon (Winnipeg), on behalf of all the Catholic bishops of Canada, calls “on Catholics and all people of good will to make their voices heard in opposition to the Bill.” He says, “As Canadians, we can and must do better.”

We want our country to be one which supports the vulnerable. Proposed changes add to societal stereotypes that a life with a disability is a life not worth living. By supporting this bill, the government of Canada is supporting these stereotypes. We Do NOT want to extend the criteria for MAiD. More information is on the Saskatchewan CWL website www.cwlsk.ca

Regina Catholic School Division Announces New Director of Education

The Regina Catholic School Division Board of Trustees is pleased to announce it has hired a new Director of Education. Sean Chase has been selected to be the new Director of Education, beginning this summer. Mr. Chase will succeed Domenic Scuglia who will retire at the end of June 2021.

Board Chair Vicky Bonnell says, "The Board of Trustees is grateful to Dom Scuglia for his years with Regina Catholic Schools. From budget cuts all the way through to the Covid-19 pandemic, we have relied on Dom for his calm leadership. We will miss him. At the same time, we celebrate the return of Sean Chase, a former teacher, Principal and Superintendent of the Regina Catholic School Division. We know he will continue the great work happening in our school division. We pray both of these faithful leaders will be blessed in the coming years."

Mr. Chase is no stranger to the Regina Catholic School Division. While he spent the past 3 years as Director of Education for the Holy Trinity School Division based in Moose Jaw, his education experience prior to that was with Regina Catholic Schools. He attended St. Matthew School and graduated from LeBoldus High School. He began his career at St. Angela School in 1993, became a Principal in 2008 at St. Augustine Community School, and a Superintendent in 2011. In 2018 he resigned from his position as Superintendent of Education Services to begin leading the Holy Trinity division.

Says Mr. Chase of his move back to Regina Catholic Schools, "I'm excited to rejoin the Regina Catholic School Division, the place I've called home for the majority of my career. I'm honoured to share the experiences I've had at Holy Trinity and look forward to the opportunity to reconnect and support our students, staff, and families. I'm proud to once again be part of the RCSD team!"

Mr. Scuglia feels Regina Catholic Schools will be in good hands moving forward. "Sean is a friend and colleague who demonstrates servant leadership clearly. He will not just continue the job I have been doing; Sean will lead in his own way, bringing new ideas to the division while creating a path paved by experience, both here and in the Holy Trinity School Division. I move into retirement with five years of happy memories of Regina Catholic Schools."

We warmly welcome Mr. Sean Chase to the Regina Catholic School Division and look forward to his presence as we continue to provide a quality Catholic education to our students.

St. Cecilia is proud to know Sean and his wife Sherry who are members of our parish community and serve on a hospitality team.

Share Love, Share Lent

In his recent encyclical, Fratelli Tutti, Pope Francis calls upon us to live the love that would make us “one great family, where all of us can feel at home”; a love that “exudes compassion and dignity.” (Fratelli Tutti, 62.)

With the entire human family suffering from Covid-19, the Share Lent campaign invites us to share love and express solidarity with our sisters and brothers in the Global South, whose vulnerabilities are being exacerbated by the pandemic. Remembering the inherent dignity of all human beings, let us heed the Pope’s reminder that “justice and solidarity, are not achieved once and for all; they have to be realized each day.” (Fratelli Tutti, 11.).

Faith and Mental Health – Part 2

Thinking Faith Podcast with Deacon Eric Gurash and Dr. Brett Salkeld

In this part 2 of 2, we continue our conversation around faith and mental health, discussing what is helpful, what is not, and some practical ideas for building more mental health-related resiliency into our daily lives.

Show Snippet: "It's extremely dangerous when we imagine that what's going on with mental health is simply a matter of someone's spiritual life not being in order and so what they need to do is just pray more, offer it up and do all of the pious Catholic things you're supposed to do..."

You may recall seeing a video at Mass in the fall of 2019 about the Archdiocese of Regina's Rebuilding Our Church Capital Campaign. March 6, 2021

Dear Prime Minister,

As a concerned Canadian citizen, I am writing to oppose your government's legislation, Bill C-7 on euthanasia.

I am genuinely concerned that this bill is flawed and even dangerous for the lives of Canadians.
Bill C-7

- must not permit MAiD when a person has become incompetent even if the person was previously approved.
- must not remove the 10-day waiting period as I believe it is an important safeguard.
- must provide adequate oversight, review and prosecution of non-compliance with the legislation.
- must define “psychological suffering” to prevent euthanasia for mental illness alone.
- must provide conscience protection for healthcare professionals.

The federal legislation on euthanasia has positioned itself as a healthcare “right” under the *Canada Health Act* so it is publicly funded and accessible to all. Palliative care, however, is not afforded the same status. Dying patients should have access to palliative care as a right.

Will your government undertake a five-year review of the system of euthanasia in Canada as was promised when assisted dying was legalized in 2016 in response to a Supreme Court ruling?

As head of the Government of Canada, will you support correcting the major flaws in the legislation, Bill C-7, to protect vulnerable Canadians?

Respectfully yours,
